# a. Review Current MEDA Curriculum

The Committee discussed the Minnesota Educators of Dental Assistants (MEDA) *Draft May 4, 2019 Minnesota Expanded Functions Curriculum*. A curriculum chart with proposed procedures and related requirements was reviewed. Future discussion will include the process of approval including the role of the Board; how often curriculum is revised and presented to the Board; process of establishing required educational hours for expanded functions; and consideration program length.

# b. Limited Dental Assistant License Discussion

The Committee invited audience questions and facilitated preliminary discussion of the 3100.1320 Limited Dental Assistant proposed rule language, specifically the educational component. The Board is seeking input regarding what elements should be included in a training program to allow individuals to take dental radiographs. The Committee will continue to address the Limited Dental Assistant proposed rule language at future meetings along with whether the term "registered", or "licensed" would be appropriate.
